DISCUSSION ITEMS

1. This years Powershow went well for the Fire Department. We sold gun raffle tickets, and had a 50/50 to bring in money. I believe we made about $1200. total for 2 days.

2. We have received conformation from the Fire Academy in Columbus, that Dale Malm and Andrew Lipcsey have been accepted to participate in the 36 hour firefighter program in August.

3. Adam Georskey from All American Fire dropped off 4 -5 gallon buckets of foam for our trucks. He also has some fittings that we ordered coming in soon. We will let you know when the invoice comes in for those items.

4. Finalizing Pig roast for August 15th. Auction items coming in. We have had several cash donations to help with cost of it. Mostly everything has been paid for, due to that.

5. Had a great training exercise down in Rome with the live Burn. Everyone got to do evolutions before it went up. Beth Clayton was down taking pictures of that. Thank you Beth, much appreciated.

6. That's all I got.....
