HARTSGROVE TOWNSHIP

REGULAR MEETING

OCTOBER 8, 2025

The meeting was called to order by Chairman Gottron. All trustees and the fiscal officer were present.

A motion was made to approve the agenda by Mr. Moore and seconded by Mr. Williams-all voted yes.

A motion was made to approve the minutes by Mr. Moore and seconded by Mr. Williams-all voted yes.

Zoning-Mr. Sedivec was not in attendance.

Fire Department-See attached.

Roads-The department has been moving blocks to surround the stone areas. Andy will be helping with a burial on Saturday. Terry moved the holiday decoration shed. The MC70 road maintenance project is fully complete. The scratch coat paving project on North Ireland is anticipated to be complete in the next two weeks. They will be bringing in more #9 limestone for the project. The estimate for the damage of Erica Peavy's Jeep Wrangler was received; it was $4804.21. The pictures and estimate will be sent to the township insurance company.

Building-Potential general contractors came to scope out the area for bidding the new building. The architect stated that as long as any contractor has the proper credentials, they can be awarded the bid. All sealed bids need to be received by 3 p.m. on October 17th and will be opened and read on October 22nd at 7 p.m. at the trustee meeting.

The new cameras are scheduled to be installed in the next two weeks. The placement of cameras will remain the same.

The Ford F550 truck for the road department has been paid off.

Terry Chapman was in attendance and stated the annual holiday parade (Power Parade) will be November 29th. There will be two off duty deputy sheriffs at the event. The cost is estimated at $360. After a discussion and considering the safety of the event, a motion was made to approve the township paying for the two officers, not to exceed $400, by Mr. Gottron and seconded by Mr. Moore-all voted yes. The Power Show events now have their own separate Facebook page for social media. The Hartsgrove event planning team has registered a 501c3. This will support the fundraising arm for future township events.

Debbie Noon, as a future trustee in 2026, voiced her support for appointing Mr. Moore as the last trustee to fill the open seat next year. Considering he has already served two terms and has been beneficial to the township, she believes he is a logically choice. Mr. Moore most likely would have been on the board if there wasn't a minor error with his petitions. If the two standing members on the board next year cannot vote unanimously on the third trustee within thirty days of the new year, a person shall be appointed for the township per the ORC.

The warrants were read. A motion was made by Mr. Moore and seconded by Mr. Gottron to pay warrants 16072-16084-all voted yes.

Having no further business to come before this board, the meeting was adjourned by Chairman Gottron.

Respectfully submitted,

Lisa Kovach, fiscal officer
