HARTSGROVE TOWNSHIP

REGULAR MEETING

NOVEMBER 12, 2025

The meeting was called to order by Chairman Gottron. All trustees and the fiscal officer were present.

A motion was made to approve the agenda by Mr. Moore and seconded by Mr. Williams-all voted yes.

A motion was made to approve the minutes by Mr. Moore and seconded by Mr. Williams-all voted yes.

Zoning-There were two new inquiries and one lot split. Mr. Sedivec is still working with Christine Davis on the Badell case.

Fire Department-See attached.

Roads-Andy has sprayed fluid film on all of the trucks and completed all winter maintenance. There is a pile of sand that may need to be disposed of, as it has diesel fuel and oil in it. The snow fence has been put up for the season.

The toilet's power flush is not working in the hall bathroom. Need to reach out to Cleveland Plumbing to confirm the warranty information to get it repaired.

Mr. Gottron is looking at pricing of a new shed. There was a discussion about getting a storage container, but it was noted that they do hold moisture and could damage stored items.

Milano Monuments is trying to get a signature from Mr. Moore for an application of a stone. As the township did not purchase the stone, the only approval we are able to give is permission to bring the stone in at the proper location at the cemetery.

There was a SCAD update. They have earned over $36,000 in interest from Star Ohio. Also discussed the number of calls to date. Calls are up 169 from last year. There have been less mutual aid calls since bringing on the second full time shift.

There is a fence post that needs to be repaired in the park.

The warrants were read. A motion was made by Mr. Moore and seconded by Mr. Gottron to pay warrants 16097-16111-all voted yes.

Having no further business to come before this board, the meeting was adjourned by Chairman Gottron.

Respectfully submitted,

Lisa Kovach, fiscal officer
