HARTSGROVE TOWNSHIP

REGULAR MEETING

MAY 13, 2026

The meeting was called to order by Mr. Williams. All trustees and fiscal officer were present.

A motion was made to approve the agenda by Mrs. Noon and seconded by Mr. Pilarczyk -all voted yes.
A motion was made to approve the minutes by Mrs. Noon and seconded by Mr. Pilarczyk -all voted yes.

Max Thirion from Troop 419 spoke at the meeting. He is looking for an Eagle Scout project and proposed new, painted PVC flag holders be placed in the park. He will provide all of the supplies. The board discussed the proposal and Mrs. Noon made a motion to approve the project and seconded by Mr. Pilarczyk-all voted yes.

Zoning-Mr. Sedivec is reviewing a cell tower maintenance project for AT&T. He will be in touch with the project manager after looking over the plans. David Thomas and the prosecutor's office and working on recovering some funds from the Gutman clean up project. They are also trying to raise more money to complete the project. The possibility of not pursuing the Badell case was discussed. The board doesn't not want to start over or waste more resources. Mr. Sedivec will be inquiring about the progress in the case. Mr. Molson has reached out to discuss an appeal on his recent lot split issue. He is also working on two other lots splits; one on Summers Road and one on Meadehollow Road. They are both within regulation.

Roads-The dust control ad will run in the Star Beacon the first week of June. Possible roads for the project were discussed and the amount of money to stay with in bid requirements. Ireland Road will be sealed this year to protect the work from last year. Andy has been digging ditches and cold patching. He also completed CPR training at SCAD and will receive a certificate. The new Stihl broom has arrived. Mr. Williams met with Dave Taylor to shoot the elevation of his ditch/property and see how much fall is there. Andy will be going to Green Vision to get 3-4 yards of mulch.

Cemetery-Cheryl Hammond will again plant flowers in the park for Memorial Day. A motion was made to approve the purchase of the flowers, not to exceed $135, by Mr.

Williams and seconded by Mrs. Noon-all voted yes. All the flags have been placed in both cemeteries. There are two more Eagle Scouts looking for projects in the community and have reached out to Mr. Pilarczyk. Scott Allen looked at the memorial in the park with Mr. Pilarczyk. There are two substantial cracks and it has been painted over multiple times. He will be quoting out the repairs; possibly sand and clean and epoxy the cracks. TL Tree Service will be coming to look at removing some trees in the southeast cemetery.

Mrs. Noon asked about replacing some of the bricks in the park and completing the pathway. Also inquired about the price of the sales and posting it on the website.

Fire Department-See attached. The department needs a new attic ladder. It is a required piece of equipment. A motion was made by Mr. Pilarczyk to approve the purchase, not to exceed $750, and seconded by Mrs. Noon-all voted yes. The fire extinguishers all need serviced. Mrs. Noon will be reaching out to new companies, as the current provider has not returned her call. She also wants to clean out the storage area where the fire department has been storing things. She mentioned the use and cleaning of the freezer in that same area. There was an old invoice from Iamresponding. The fiscal officer is looking into settling the balance, as she just received the invoice. That service is also part of the sheriff departments contract, which is why the matter is being investigated.

ODOT denied the request to decrease speed upon approaching the circle. There was also some questions about who all has key and access to the hall. The board is still reviewing the current handbook before making any updates or changes.

Mrs. Noon expressed her frustration regarding Mr. Williams stepping in on buildings and grounds duties without communicating with her first. Said they will try to coordinate better moving forward. The two buckeye trees need planted. The trustees will meet the day after the meeting to look around and make a decision.

The warrants were read. A motion was made by Mr. Pilarczyk and seconded by Mrs. Noon to pay warrants 16244-16254-all voted yes.

Having no further business to come before this board, the meeting was adjourned by Mr. Williams.

Respectfully submitted,

Lisa Kovach, fiscal officer
