A motion was made to approve the agenda by Mrs. Noon and seconded by Mr. Pilarczyk -all voted yes.

Public Comments:
Multiple visitors attended the meeting to discuss zoning for wind and solar projects. They voiced their opinions about the county wide efforts to restrict such projects. The board had a resolution prepared and needed to vote. The fiscal officer took a roll call on the voting to adopt the resolution and all trustees voted yes. The opinion of the visitors was positive once the vote resolution was passed to not allow wind and solar projects within Hartsgrove Township.

Zoning-There was one permit for a roof. Mr. Sedivec is working on two more permits. He has discussed filing an injunction for damaged property and not staying within the confines of township zoning. Monique Kawalek is now the chair for the zoning board. Christine Tanguay has moved to board secretary. The board needs to supply the township with zoning minutes for their records.

Roads-Martuccio Paving has not gotten back to Mr. Williams. The project will not begin until after Labor Day. There was a shrub blocking safe viewing on Higley Road. The resident removed it right away. There has been some done ditching done on Hyde Road and Summers Road. Andy has also been doing some mowing. He will be doing some work on Meade Hollow Road to help with the water flow.

There was a discussion about the owns of Sap Run Distillery not being pleased that they cannot advertise in the park for an upcoming event.

Cemetery-TL Tree Service cleaned up the down/leaning limbs. The boy scouts took down all of the flags. Mr. Pilarczyk is still looking for stump grinding help.

Fire Department-See attached.

Mrs. Noon gave all trustees and fiscal officer copies of the policies and procedures handbook. She requested everyone look it over and provide feedback by the next meeting.

The budget resolution was presented. Per a previous meeting, the board had already approved the 2027 budget. The trustees just needed to pass the certificate of estimated resources. Mrs. Noon moved to adopt the certificate of estimated resources and it was seconded by Mr. Pilarczyk. Roll call of voting was as follows: Mr. Williams-yes, Mrs. Noon-yes, Mr. Pilarczyk-yes

The warrants were read. A motion was made by Mr. Pilarczyk and seconded by Mrs. Noon to pay warrants 16330-16339-all voted yes.
